NDA – Technical Specifications, Algorithms, Drafts, Designs

NON-DISCLOSURE AGREEMENT

(Technical & Engineering Materials)

---

1. PURPOSE

Disclosure of proprietary technical materials for evaluation, collaboration, licensing, or technical review.

---

2. CONFIDENTIAL INFORMATION INCLUDES

- **Technical specifications**
- **Software architecture**
- **Source code**
- **Algorithms**
- **Machine learning models**
- **API documentation**
- **Engineering drafts**
- **Industrial designs**
- **CAD files**
- **System diagrams**
- **Research data**

Including protected materials under:

- **Copyright, Designs and Patents Act 1988**
- **UK Registered Designs Act 1949**
- **Directive (EU) 2016/943**
- **EU Design Regulation (EC) No 6/2002**
- **Computer Programs Directive 2009/24/EC**

---

3. PROHIBITED ACTIONS

Receiving Party shall NOT:

- **Reverse engineer**
- **Decompile software**
- **Train AI models on data**
- **Extract logic or architecture**
- **File patent applications based on disclosed information**

---

4. IP PROTECTION

All rights remain exclusively with Disclosing Party, including:

- **Copyright**
- **Moral rights**
- **Design rights (registered & unregistered)**
- **Patent rights (filed or unfiled)**
- **Trade secrets**

---

5. SURVIVAL

Trade secrets remain protected indefinitely.

---

6. REMEDIES

Immediate injunctive relief available without bond where permitted by law.
